

# SCISSORS & CUTTING MATS

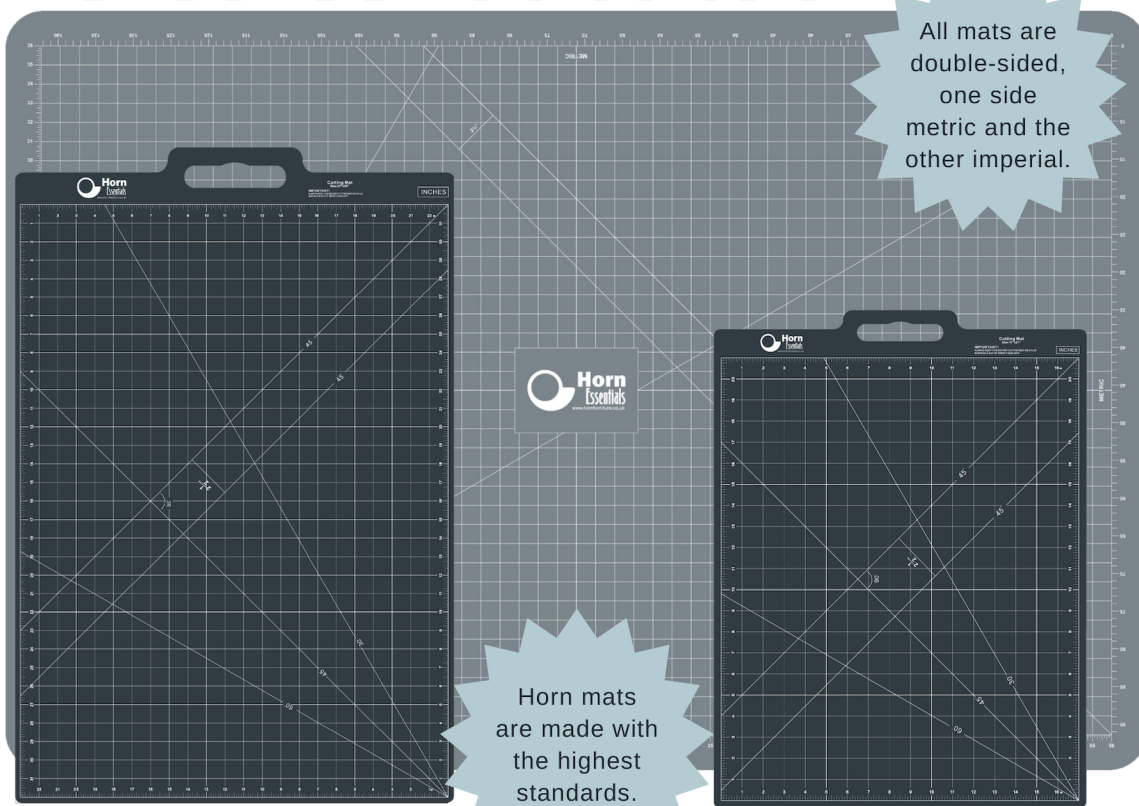

A cut above the rest...

These incredibly hard, high quality, German stainless steel scissors are made to exacting standards and cut all the way to the tip. They're a pleasure to use time & time again.

All of our scissors are built to exceed our customer's expectations, boasting a level on the Rockwell hardness scale of 55. These scissors are ideal for multi-purpose craft use and for effortless use on fabrics. You'll never want to cut with anything else!

Our convenient, carry-handle cutting mats come in 2 sizes; A1 and A2. These top quality, mats are self-healing with a robust 3cm thickness.

As every crafter, sewer or creative enthusiast well knows, a quality cutting mat is essential in any sewing room! Protect your furniture and your dedicated workspace with a Horn cutting mat, available in 3 sizes.

Our huge cutting mat is tailor made to fit our HILO Mk2 but can be purchased separately for use on a table of your choice. At a whopping 100x150cm and 3cm thick, it is ideal for all types of cutting, including rotary.
