

FEATURES IN DEPTH

PR1X

FLEXIBLE WORKING SPACE

The open free arm makes working on tricky shirt pockets, sleeves, and jeans a piece of cake.

THREAD COLOUR SORTING

Adjust the order in which multi-colour designs are stitched – reducing thread changes and speeding up the embroidery process.

CROSSHAIR LASER POSITIONING

See exactly where the needle will drop and adjust the position accurately with the built-in laser crosshair function.

LOWER TENSION MECHANISM

Take on a wider range of projects – like delicate and stretchy fabrics.

SINGLE COLOUR PATTERN CONVERTER

Push one button to transform a multicoloured design into a single colour motif.

INDEPENDENT BOBBIN WINDER

The built-in independent bobbin winder allows you to wind a new bobbin while the machine is embroidering, saving you time and effort.

USB PORTS

Upload new embroidery designs to the PR1 via USB.
