Everything is made easy with the DKS30 and DKS100

Special Edition

Everything is made easy with these sleek studio styled machines.

Each stitch key has an LED light activated when you choose one of the direct select keys. These machines have an easy set bobbin so no need to pull up your bobbin thread, a Superior Plus Feed System and a unique bobbin winding system. Wide angle white LED lighting offers greater illumination for all your sewing projects and there are many more user friendly features including auto one step buttonholes, an auto needle threader, an auto under bed cutter and even a knee lifter on the DK\$100, which is a firm favourite with quilters.

The world's leading sewing machine manufacturer since 1921
